**Bid Reviewers:**

DNR: Kevin McKnight  
 Commerce: Tom Verstegen

**Successful Bidder:**

After review of the bid specifications, it was determined that they did not clearly state the intention of the reviewers to elicit appropriate remedial responses. Therefore, it is in the best interest of the PECFA program to revise the Bid Specifications and re-bid the site in Round 12. Bidders may wish to resubmit their original bids or, based on the revised specifications, submit an amended bid.
