

This is a partial listing of firms that provide air pollution consulting services to small businesses. Small businesses seeking consulting services should contact several of the listed firms to obtain descriptions of their services and fees. The companies are listed by category based on their own claim of experience and no evaluation has been made as to their accuracy. Many of these firms have multiple office locations throughout the state of Wisconsin. The printing of this list does not constitute an endorsement of these companies.

Air Compliance Services*(ST = stack testing; EI = Emissions Inventory)***Alpha Terra Science (EI)**

The Wisconsin Department of Commerce's Small Business Clean Air Assistance Program (SBCAAP) helps smaller businesses understand and comply with the Clean Air Act regulations. For more information you can contact the SBCAAP at 608/267-9214 or 608/264-6153. More information is available at commerce.wi.gov/sbcaap

If your consulting firm provides clean air assistance to small businesses, has an office in Wisconsin, and would like to be included in this consultant listing, contact Tom Coogan at 608/267-9214.
